## On International Youth Day, FCA Announces Launch of Highly Anticipated Rise Up Campaign

How FCA's Origins Lead to a Collaboration With the Best on Broadway

FCA &  
ALEXANDER  
HAMILTON

FCA is excited to launch the Rise Up campaign, tying our organization's century-old roots with one of America's Founding Fathers!

Did you know that FCA's original orphanage, founded in 1884, was spearheaded by Louisa Lee Schuyler, great-granddaughter of Alexander Hamilton?

Our Rise Up campaign chronicles FCA's journey through time since our inception as the "Temporary Home for Children" and focuses on the services provided by FCA for over 137 years. The campaign culminates with a plaque dedication ceremony and documentary, featuring cast members from *Hamilton* on Broadway, to raise awareness and

education around our Runaway & Homeless Youth programs.

Support this campaign **today** by clicking the link below and don't miss your shot to see *Hamilton* on Broadway!
