If you are grateful for good health and safety during these trying times, please chip in to support others who may not be as fortunate.

### ***FCA's Annual Fall Harvest Celebration During Socially Distanced Times***

Things may look a little different and unfortunately, we cannot be together this year in person, but FCA's mission is more meaningful than ever considering the global public health crisis.

The pandemic has affected our Long Island communities in countless ways. We have seen an increased need for **food and supplies**. Increased **barriers** to basic needs. **Loss** of income and work. **Isolated** family members. Lack of resources for children to continue their educations at home. Seniors **separated** from their families and caregivers. **Substance use** and overdose cases at increasing rates.

FCA calls upon our loyal supporters to help us combat the ongoing challenges brought on by COVID-19. *This year with no in-person event, your dollars go even further. Your donations will go directly to providing for those we serve.*

**It is more crucial than ever that FCA continues to offer our wide variety of services and we can't do it without you.**

**DONATE**

Please join FCA for our Gifts of Gratitude campaign to pay it forward during this season of giving.
