Here for Long Island. Here for You.

AMBASSADOR PROGRAM

FCA Ambassadors promote awareness about our organization and its programs to their respective schools, universities, and communities.

Founded in 1884, Family and Children's Association is an IRS recognized 501(c)(3) with a mission to protect and strengthen Long Island's most vulnerable children, families, seniors, and communities.

Our Ambassador program empowers children, teens, and young adults to become pivotal role models to their peers and offer volunteer opportunities to get involved and help their communities.

All FCA Ambassadors receive a kit that includes tools and FCA swag:

- An FCA awareness video presentation
- Classroom/campus/community handouts
- An FCA t-shirt and other FCA swag
- An optional, personalized, peer-to-peer fundraising page
- An official FCA letter of appointment as an FCA Ambassador
- Name listed on the FCA website as an FCA Ambassador
